

Beating Blood Clots (BBC) In Pregnancy

“VTE and Pregnancy – what we know, what we need to know”

Dear Doctor,

It is my great pleasure to invite you to the Beating Blood Clots (BBC) in Pregnancy Workshop, which will take place on Saturday, 25 Jun 2011 in Le Meridien Hotel, Kuala Lumpur, Malaysia.

The key topics that will be discussed include:

- The science of using LMWHs in the prevention and treatment of VTE in pregnancy
- Pulmonary Embolism: investigations, diagnosis and treatment
- Treatment guidelines for pregnancy: challenges and controversies
- Malignancy in pregnancy
- Management of complicated pregnancies, such as Recurrent Spontaneous Abortion (RSA), Antiphospholipid Syndrome (APLS), ovarian hyperstimulation syndrome and others.

Please find the draft agenda for your kind reference.

On behalf of LEO Pharma, I hope that you would be able to join us at this workshop. We look forward to a favourable response from you. Please do not hesitate to contact me or my local LEO colleague(s) for more information.

Thank you.

Yours sincerely,

Sharon Wong, PhD
