Expiry Date (mm/yy) _____

Card holder's name: _____

Please charge the above credit card of amount HK\$ _____.

Signature: _____ Date: _____

Organizers:

香港中文大學
The Chinese University of Hong Kong

Welcome Message

It is our pleasure to invite you to participate in the 11th Asia Pacific Congress in Maternal Fetal Medicine to be held in Taiwan in 2015. As the congress has been growing bigger and bigger with time, we will start to have parallel sessions during Day 2 and Day 3 of the congress in order to accommodate more interesting topics for discussion. Furthermore, we will set the theme of the next congress as 'Radiology meets Obstetrics'. We will not only focus on the advances of ultrasound and MRI in fetal medicine, but also in maternal medicine and intrapartum management.

To maximize the value of this meeting, we have been very careful in choosing only good speakers, speakers who are not only world-class researchers but are also able to give good and informative lectures. Participants are also encouraged to submit abstract(s) to this meeting, to share their clinical experience and research findings with colleagues.

We are sure that this congress will be a unique opportunity and experience for all those who are interested in Maternal Fetal Medicine. We sincerely invite all of you to join this congress and take part in this important event in Maternal Fetal Medicine.

Prof. LEUNG Tak Yeung
Co-chairman
Organizing Committee of
11th APCMFM
Chairman, Dept of O&G
